Company Profile

Kaiping Ousang Sanitary Ware Co., Ltd. specializes in the production of high-grade bathroom accessories and provides creative design, product manufacturing, and client-based services in one enterprise. The company is located in the famous "Chinese sanitary ware city" —Shuikou Town, Kaiping City, Guangdong Province. Founded in 2006, Kaiping Ousang Company now has more than 5000 square meters of dedicated manufacturing space, focused mainly on OEM and ODM businesses. More than 10 years of experience has resulted in high-precision testing equipment and efficient production lines. Because of this, the company can offer product quality that is comparable with top industry brands. Familiarity with market demand has led to a popular product line, which is sold under the independent trade brand "OUSANG".

Kaiping Ousang Company remains devoted to producing high-quality sanitary ware products by using industrial-grade materials, state-of-the-art equipment, and modern business management. We insist on a business philosophy of quality first throughout each product's production cycle - from design, to molding, to processing, polishing, and packing.

MACHINE PROCESSING

Although perfection is difficult to realize, we always take it as our spiritual pursuit and even a belief.

ALTHOUGH PERFECTION IS DIFFICULT
TO REALIZE, WE ALWAYS TAKE IT AS OUR
SPIRITUAL PURSUIT AND EVEN A BELIEF.

MACHINE PROCESSING

THE REAL GOOD PRODUCT ALWAYS LOOKS SIMPLE BUT WITH COMPLEX INTERNALITY;SIMPLE WORKS ALWAYS REQUIRE COMPLEX ESSENTIALS OF BASIC SKILL.

Technology improve product's quality and change life.

We cherish our business philosophy of "quality and development".To stay on top of the increasingly competiton.We continue the active and effective application of modern managerial expertise and specialists to keep improving.We concentrated on quality, thus we won the market with quality products, enabling us to be the choice of many distributors and users worldwide.We the manufactor, make sure every details we make satisfy you.

When traditional bathroom fixtures had influenced people's conception globally, we have discovered the new designs of such products have been diversified and simplified. Material and craftsmanship has evolved from traditional style.Luxury and user friendly features are presented.We have witnessed a variety of classic representatives here, it reflects our mind set that only the stillness of infinite dimension can often bring us higher quality of living.
